Sara, who completed her business course in Montgomery in January, and she and Robert will then go to Auburn for Robert to continue his studies at A.P.I. In the meantime, talented Robert is employed at Dorsey's. We wish them all happiness.

Fifth Birthday Is Occasion For Party
Paul Johnson celebrated his fifth birthday on July 12th, with a party at the home of his parents, Dr. and Mrs. Leslie Johnson. Because of rain, the children had to stay inside, but the party was a delightful affair.

Highlight of the decorations was the birthday cake which carried out the western theme. A peppermint stick coral encircled five convolvulus, heki miniature candles. And twenty six members of the younger set had a very nice time.

Morning Party Give By Mrs. Martin
Mrs. Willard Martin entertained on July 15 at a morning party honoring Mrs. Carl (Lew) of Greenville, South Carolina, who was formerly Miss Jean Bullard of this city.

Summer flowers were used to complement the Eliza American decor of the bazaar home. Delightful sandwiches and frosty drinks were served to the following:

Madames Billy Oates, Bill Bruce, Mace Cook, Bryan Taylor, Robert Stevenson, James Martin, Harry Beavall, Lister Brunson, James Devane, John Frank Kendrick, J. Doug Kendrick, Bonnell Rowe, Bobby Bullard, Dwyer Cook, Evelyn Booser and William Bullard.

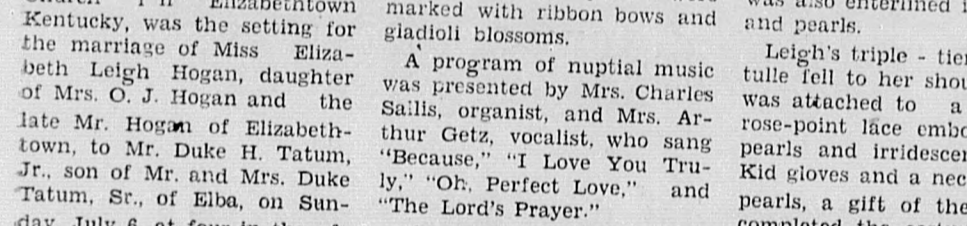

Fifth Birthday Is Occasion For Party
Paul Johnson celebrated his fifth birthday on July 12th, with a party at the home of his parents, Dr. and Mrs. Leslie Johnson. Because of rain, the children had to stay inside, but the party was a delightful affair.

Highlight of the decorations was the birthday cake which carried out the western theme. A peppermint stick coral encircled five convolvulus, heki miniature candles. And twenty six members of the younger set had a very nice time.

Miss Elizabeth Leigh Hogan Weds Mr. Duke Tatum, Jr., in Kentucky

The Memorial Methodist Church in Elizabethtown, Kentucky, was the setting for the marriage of Miss Elizabeth Leigh Hogan, daughter of Mrs. O. F. Hogan and the late Mr. Hogan of Elizabethtown, to Mr. Duke H. Tatum, Jr., son of Mr. and Mrs. Duke Tatum, Sr., of Elba, on Sunday, July 6, at four in the afternoon. They were the first couple to be married in this new church.

The ceremony was performed by the Rev. W. W. Slider against a background of palms and woodvivia fern. The altar held cathedral candleabra burning white tapers and altar vases of white gladioli and tulips.

back and at the shoulders. These medallions of reimagined Alcon lace were sprinkled with seed pearls. Side drapings at the neckline ended in a flat tulle which was also embroidered in the lace and pearls.

Leigh's triple-tiered veil of tulle fell to her shoulders and was attached to a coronet rose-point lace embroidered with pearls and iridescents. Short kid gloves and a necklace of pearls, a gift of the groom, completed the costume. The bride carried a bouquet of white orchids and stephanotis.

Miss Mattie Jean Gardner of Elizabethtown served as Maid of Honor. She wore a dress of delicate green embroidered organza made with brilliant tulle and a summerbund of rich green tulle that ended in a soft sash at the back. A semi-cap of tulle, pearls, and baby's breath. Tall

green slippers and short white gloves were also worn. She carried a cascade bouquet of feathered carnations tinted to match her gown.

Miss Sue Ann Hagan, sister of the bride, served as bridesmaid and was dressed identically to the Maid of Honor. The groom was attended by Dr. Clyde M. Brassfield and

Major Doyle C. Vincent of Elizabethtown. Mr. Duke Tatum Sr. served his son as Best Man. For her son's wedding, Mrs. Tatum wore a dress of soft blue lace. Mrs. Hogan chose blue veil and both ladies wore white orchids.

After the wedding, Mrs. Hogan entertained at a reception in the church parlor. White gladioli and greenery were used to decorate the rooms. The bride's table was covered with a white linen cloth centered with a silver bowl of pink roses, stephanotis, and baby's breath. Tall

pink candles in silver holders flanked this arrangement. A silver punch bowl was placed at one end of the table and at the other a tiered wedding cake encircled with garlands.

Mrs. Clyde M. Brassfield, Mrs. Melvin Bailey, Mrs. Stanley Stadler, and Miss Martha Grubbs served the guests. Out of town guests included Mrs. Jimmy Faulkner and Mrs. L. P. Tucker of Bay Minette; Mrs. Jim Green, Mrs. Dan Herndon and Mrs. George Gray of Montgomery; and Colonel and Mrs. George W. Emrick of Fort Knox, Kentucky.

To brighten dull aluminum utensils, fill the pans with water, add sliced lemon, and bring the water to a boil. Adding some cream of tartar will remove the dark film.

New York—A program that will permit a scientific assault on major health problems of the nation, with arthritis and birth defects as initial new targets, was announced this week by the National Foundation for Infantile Paralysis.

Barclay O'Connor, president of the organization that made possible the Salk polio vaccine, outlined its broad new program of future attack on disease and disability at a press conference in New York.

While carrying on the winning fight against polio, the National Foundation, as it now will be known, will continue its history making virus research program and investigations of disorders of the central nervous system, and will add research and patient aid in arthritis and birth defects (congenital malformations), Mr. O'Connor said.

The expanded program will be financed through the traditional March of Dimes conducted each January by volunteers in 5,100 county chapters across the country.

SOIL CONSERVATION NEWS

By T. C. Self and Joe Wildman, S.C.S.

We have had it. This remark was made concerning the rain. July rains have truly been more than a hearsay this year. Local to heavy rains have fallen in all of Coffee County during the month. No rainfall figures are available at the time of this writing. However, from sketchy reports, 15 inches or more have fallen during July. This amounts to 1-3 to 1-4 the total average rainfall for South Alabama.

Tree applications continue to come in at a moderate rate. This is the last month for filling applications for tree seedlings.

E. W. Crosby informs us that he will have a tree planting crew again this year. Upon re-

DISASTERS, natural or man-made, call for immediate stocks of medical supplies and often fully-manned U. S. warhorses for use in times of national emergency or major natural disaster on presidential approval when other supply sources are exhausted. (American Red Cross Photo)

Four different courses will be offered including Rudiments of Music, Voice, Conducting and Hymn Playing. If there is sufficient demand, also a day class in Organ. The classes will be kept on a very practical level designed to help the churches to develop musical talent and leadership. The public is invited to attend.
